Subject: **SATHEE-Reduction of dependency on coaching culture.**

****

Kindly refer to the subject cited above.

In this context, it is stated that SATHEE is an initiative by the MoE, Govt. of India in collaboration with IIT Kanpur designed to provide students across India with free access to high quality learning resources for various exam preparation.
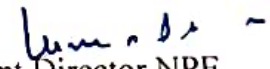

"SATHEE" provided recorded lectures, interactive live classes and expert supports for entrance exam preparation in Engineering (JEE), Medical (NEET), Law (CLAT), agriculture (ICAR), University Entrance Test (CUET) as well as for competitive exams preparation like the staff selection commission (SSC), Railways (RRB) and Banking (IBPS)

"SATHEE" aims to equalize educational opportunities by providing accessible and inclusive education, particularly for students from financially weaker sections and remote areas of the country.

In this regard, I have been directed to request to you publicise "SATHEE" for awareness of students by advertising it on social media and through whatsapp groups and notice boards.

Further, a pamplete of "SATHEE" is being attached herewith for your ready reference and further necessary action.

SATHEE Portal offers quality education to students preparing for competitive exams

The Department of Higher Education, Ministry of Education in collaboration with IIT Kanpur has started SATHEE (Self-Assessment, Test and Help for Entrance Examination) portal to provide quality education to every student who intend to participate in competitive Education such as JEE, NEET and various State level Engineering and other Examinations. Ministry of Education has written to all State/UTs to inform educators and students about this facility which can be used for competitive examinations preparation and for knowledge enhancement.

To support students preparing for JEE and other engineering examinations, a 45 days crash course of JEE has been launched on 21st November 2023 curated by IIT toppers, academicians and subject experts. This crash course is available in 5 language including English. All India Council of Technical Education (AICTE) has developed AI based translation tool. This tool supports 22 Indian languages. Several workshops/Seminars have been organized in institutions/colleges to create awareness about this tool and its utility.

As on 12th December, 2023, there are 60,000+ students registered on the SATHEE platform.

The information was given by the Minister of State for Education, Dr. Subhas Sarkar in a written reply in the Lok Sabha today.
